

## **Nijmegen, Netherlands**

Dear Flyers,

The date of the 7<sup>th</sup> International Indoor Fly In is close by. Here by you will receive the timetable for both days and some additional information regarding the contest.

### **Schedule on Friday**

The hall will be open from 15:30 till 20:30. Around 20:00 will be the last flights of the day. Afterwards you can leave your stuff in the hall. We want to ask you to put your models on the judging tables before leaving the hall. This way we can start judging early on Saturday. Please try to get you stuff sorted and take what you need with you before 20:30. After this time the hall will close until the next day.

### **Registration**

When arriving at the hall, please register at the organisation table. Here you will receive an envelope with starting numbers, timesheets and static judging information. Payments (for those paying with cash) need to be done on fixed times stated below. We will tell you the location in the hall.

Friday: 18:00 – 18:30  
Saturday: 12:00 – 13:00  
Sunday: 12:00 – 13:00

### **Static judging**

At 9:00 the static judging will start on Saturday. There will be tables set up for the different classes. Please fill in and check your scoresheet, and place them together with your documentation under your model on the table. Static judging of Kit scale will be done on Sunday.

**\*\* Please note that your model should be at the judges table before 9:00\*\***

### **Timekeeping**

We would like to ask you to help us with timing the flights. So please help each other out. For F1N we will also ask for some help of the flyers not flying. F1N flying is divided in slots of 30 minutes were will be flying on call. The time scoresheets are divided in 2 or 3 pages. After one page is full please give it to the organisation, there you will receive the next sheet. In this way we can keep track of the scores and publish a preliminary result after day 1. **!! Any flight written on the document outside of the boxes will not be counted!!**

## Prizes

In every class the best 3 flyers will receive an award. For Sainte Formula there will be a possibility to win a challenge cup. The Gé Brouwer Memorial cup, this cup will be awarded to the best Sainte Formula flyer at the IIFI. Please note that the rules for Sainte are a bit different than in other countries, we have a 3 gram minimum weight! The best 3 flyers in F4E CO2 will receive a prize, and also the best 3 flyers in F4E Electric will receive a prize.

## Glider Scale

Glider scale will be a part of kit scale. Flying will be done during kit scale as closing part of that time slot. The flights scores will be calculated using the K factors for open scale.

## (Preliminary) Flying Schedule

| <b>Saturday</b> |                          | <b>Sunday</b> |                          |
|-----------------|--------------------------|---------------|--------------------------|
| Timeslot        | Category flown           | Timeslot      | Category flown           |

| 14:45-15:45     | Kit Scale contest flying | 15:45-17:15   | F1D                      |
| 15:45-17:00     | F4F/Pistachio/Profile    | 17:30-18:00   | Closing & prize giving   |
| 17:00-19:00     | F1D                      |               |                          |

On Saturday there will be a buffet at the hall after the last round (+/- 20:00).

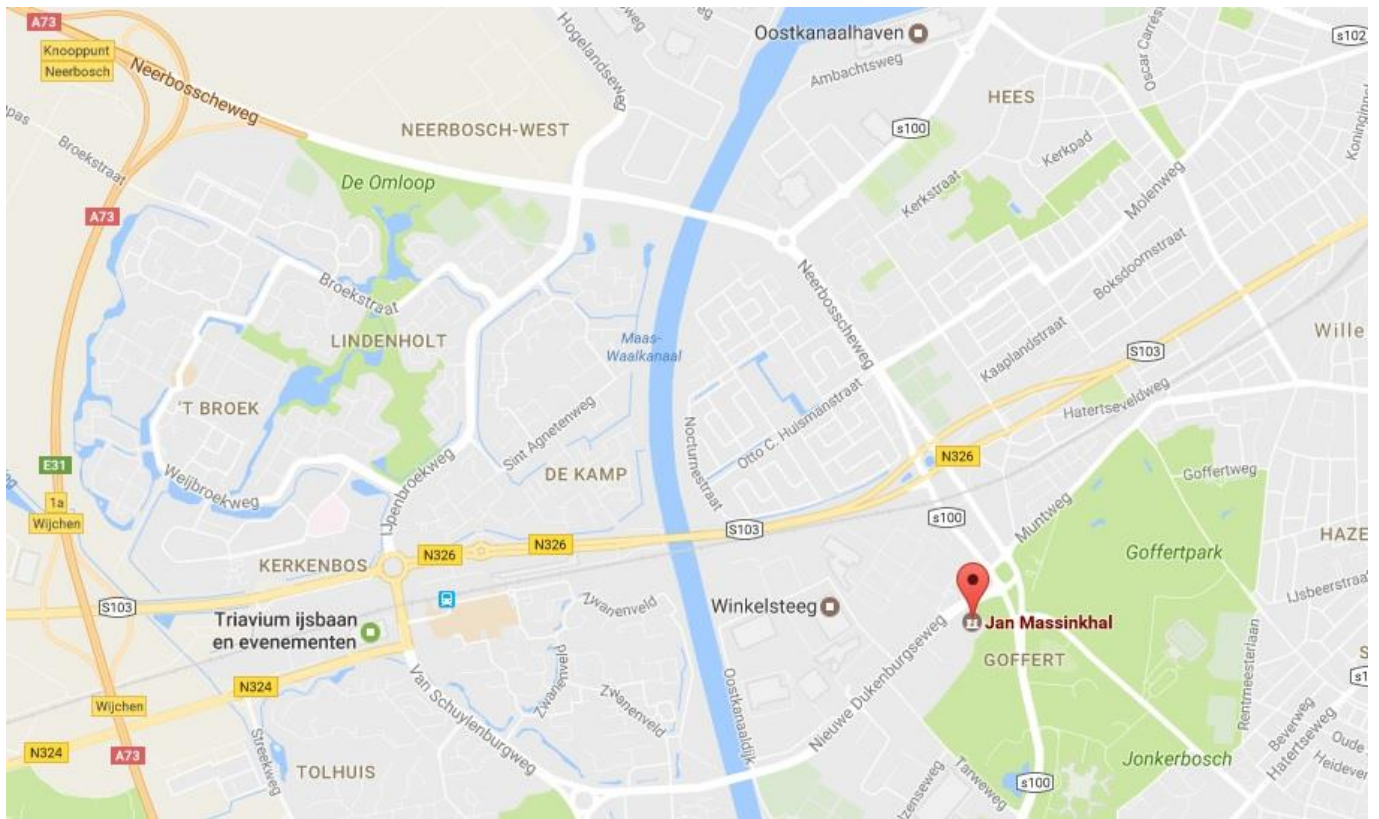

We want to ask you when you are finished flying on Sunday to gather your things. In this way we can clean out the hall quite fast on Sunday and do the prize giving.

All duration classes will be flown with full weight motors!

## How to reach the Jan Massinkhal

The Jan Massinkhal is easily reached; it is located at the edge of one of the main roads through Nijmegen. When arriving by car please use the following address:

Jan Massinkhal  
Nieuwe Dukenburgseweg 5  
6534 AD Nijmegen

See you 10, 11 and 12 November in Nijmegen!

Kind regards,

Bernard Bruins  
Luis Bautista  
Larissa Bruins  
Gerard Brinks  
Roel Lucassen  
Gert Brendel  
Wout Moerman
