

**Invitation to:  
11<sup>th</sup> International Indoor Fly-In**

**3, 4 and 5 November, 2023**

**Jan Massinkhal**

**Nijmegen, Netherlands**

This year we added a few hours to the Friday. Last edition about 95% of all the flyers also came out to fly on Friday. So we will have another trimming session on Friday. The amount of hours is preliminary at the moment. Depending on the amount of flyers we can always add a few hours.

This day is separately organised from the weekend. In this way we hope you don't feel forced to come a day earlier not to miss out on anything. There will be no static judging on this day only flying. We understand it can be a lot more expensive to come a day earlier.

**Preliminary schedule for the Friday:**

Friday 3 November 2023                      15:00 – 20:00

**Costs:**

Because it is a separate day and a few extra hours of rent we are asking for a small fee. The Friday will cost €20 no dinner included. If the numbers are low then either we need to add a bit to the fee for the hall or shorten the hours.

Please let us know if you are planning to attend the Friday trimming sessions. In this way we have a small indication about who is coming and how many are coming.

Kind Regards,
